

Denison150 is a year long celebration featuring a diverse array of events and activities and monthly thematic promotions. Galas,parades, tours, community festivals, neighborhood gatherings, Denison specific cultural creations, history programs, artistic displays, storytelling opportunities, service learning projects, and outdoor adventures can and will be designed for Denison and by Denison throughout 2022.

The Sesquicentennial celebration was established to enhance community outcomes, defined as three main goals for which all activities and programs should contribute towards.

In addition several strategies should be used in curating and providing opportunities that will help us collectively achieve our goals.
